

**AED Compliance Assurance Form for Clubs/Teams Participating in EDP Soccer Managed
League Competition in New York State**

EDP Soccer requires that each club/team participating in EDP Soccer managed league competition during the 2024/2025 seasonal year provides assurance that the club/team is in compliance with New York State Public Health Law (PHL) Section 3000-F, which focuses on providing AED services as a mandatory safety measure.

To be completed by each club/team:

We understand and agree that the safety of the participants (teams, players, coaches, referees and fans) in EDP Soccer managed league competition is of utmost importance.

Therefore, by signing below where indicated, we acknowledge to EDP Soccer that we will comply with New York State Public Health Law (PHL) Section 3000-F, including providing access to:

- An automated external defibrillator (AED) during all games.
- Personnel certified to use AEDs.
- An implementation plan for using AEDs.

This acknowledgement will be relied on by EDP Soccer and all participants and spectators.

Sincerely,
